OERs in the Greek Language

The appendixes contain infomation for OER in the Greek language. The following abreviations are used:

a. Title – the title of the OER
b. Author – person(s) or organization(s) who developed the resource
c. Type – the type of the OER (presentation, video, infographic, etc.)
d. License – the type of license the OER is available under (e.g. CC BY 4.0, CC BY-NC-SA 4.0, etc.)
e. Learning outcomes – one or more learning outcomes addressed by OER according to learning outcome number for each course (e.g. in the table for Visual and Graphic Design learning outcome 2.1. Introduction to raster based graphic design software should be noted just by putting number 2.1.)
f. Notes – any useful information about the OER (e.g. if the OER is big document the useful pages or chapters should be noted or the ideas on where and how to use the OER)
g. Link – the hyperlink leading to the OER
